Projects

Shoplique | *Reactjs, Nodejs, Expressjs, MongoDB, CSS3, JWT, RazoPay, RESTful APIs, Redux*

- 🚀 **Deployed Link** : <https://shoplique.onrender.com/>
- 📁 **Github Repo** : <https://github.com/Jitungandhare/Shoplique>
- Built a full-stack e-commerce web app using the MERN stack for seamless shopping experiences. Implemented secure user authentication (JWT), registration, login, and profile management. Integrated Razorpays for secure payment processing. Developed a full-featured admin panel for managing products, users, and reviews. Used Redux Toolkit, localStorage, and sessionStorage to optimize performance and UX.

Task Management | *JavaScript, React, Redux, Git, Node.js, Express.js, MongoDB, RESTful APIs, Tailwind css, localStorage, session storage*

- 🚀 **Deployed Link** : <https://task-management-2-imev.onrender.com/>
- 📁 **Github Repo** : <https://github.com/Jitungandhare/Task-management>
- Built a full-stack task management application with separate user and admin functionalities. Implemented secure login, role-based access control, and dynamic task workflows. Designed a responsive UI using Tailwind CSS and maintained session persistence via localStorage and sessionStorage. Developed and connected RESTful APIs using Node.js, Express.js, and MongoDB.

Insta-fista | *JavaScript, React, Redux, Git, Node.js, Express.js, MongoDB, RESTful APIs*

- 🚀 **Deployed Link** : <https://new-jfuz.onrender.com>
- 📁 **Github Repo** : <https://github.com/Jitungandhare/Insta>
- Developed a full-stack social media application with secure user authentication and real-time chat. Designed and implemented all core features including posts, likes, comments, and user profiles. Built and consumed RESTful APIs for seamless frontend-backend integration. Applied Redux for efficient state management and enhanced UI responsiveness. Independently handled the entire development lifecycle, from requirement gathering to deployment.

Skills

Technical Skills: Responsive Web Design, RESTful APIs, MongoDB, Express.js, Node.js, Git, Redux, React, JavaScript, CSS3, HTML5

Soft Skills: Adaptability, Time Management, Teamwork, Problem Solving, Effective Communication
